App Showcase – umsi.info/apps

The screenshot shows a Firefox browser window displaying the UMSI app showcase page. The address bar shows the URL www.si.umich.edu/newsandevents/umsi-app-corral. The page features a navigation menu with links for Home, About SI, Academics, Research, Careers, News & Events, Giving, and Alumni. A search bar is also present. The main content area is titled "UMSI app showcase" and includes a sub-header "UMSI app showcase" and a paragraph: "UMSI students and alumni are active app developers. Their apps can help you feel good, find a great place to live, cook dinner like your momma, connect with art-lovers, and much more. Browse their collection." Below this, there are sections for "UMSI Student Apps" and "UMSI Alumni Apps".

The screenshot shows a web browser window with the address bar displaying "www.hung-truong.com". The browser's address bar and tabs are visible, showing various search engines and social media links. The website content is organized into several sections:

- Hung Truong**: A sidebar menu with links to Blog, Etsy, Apps, Quora, Github, Twitter, Resume, and LinkedIn.
- Projects**: A grid of project thumbnails including:
 - A green location pin icon on a green radial background.
 - A grey square with a white 'I' and a Wi-Fi symbol.
 - A red heart on a black background.
 - A blue chess knight icon with the text "Checkmate".
 - Stylized Japanese characters "あの" in green and white.
 - Cartoon figures with the text "open > share > learn. evolve."
 - A red background with the text "Let's Pizza!".
 - A section titled "Your Instruments" with three entries: French Horn, Flanica, and Soprano Trombone.
 - A map of the United States with red pins, titled "MapKrieg".
- Research**: A grid of research thumbnails including:
 - A world map with colorful lines connecting various locations.
 - A black background with yellow starburst patterns.
 - A network graph with nodes and edges, with a "facebook" logo in the top right corner.
